Presentation of "Pahatecha mrutyu" an art piece created with a thrilling and social objective by the Department of Cultural and Department of Psychology of R. S. Mundle Dharampeth Arts and Commerce College Nagpur.

Capturing human emotions is extremely difficult. For other physical disorders, there are medical treatments to improve with surgery and medication to achieve the desired effect, but it is ultimately difficult to treat dilemmas and disorders.

There are many aspects of mental illness which can be sudden or non-genetic It is necessary to get a proper diagnosis of what kind of mental illness such a person has, what caused it To create awareness about this disease and overall mental illness remedial scheme, the cultural department and the psychology department of the college presented the drama "Pahatecha mrutyu" with the collaboration of the college students on May 3, 2022 at Lakshmi Nagar auditorium in Nagpur.

Dr.Satish Chapple sir, cultural head of the college, Dr. Manjushree Sardeshpande madam got guidance. Principal Dr. Tanuja Nafde madam congratulated the students for their art work.

# Report on EVS Project & VISIT

## B.Com & B.A IV Semester

An environment study is all about learning the way we should live and how we can develop sustainable strategies to protect the environment. It helps individuals to develop an understanding of living and physical environment and how to resolve challenging environmental issues affecting nature. Environmental education is a process that allows individuals to explore environmental issues, engage in problem solving, and take action to improve the environment. As a result, Students develop a deeper understanding of environmental issues and improve upon the skills to make informed and responsible decision. Environmental science enlightens us on how to conserve our environment in the face of human population growth and anthropogenic activities that degrade natural resources and ecosystems. To understand importance of environment EVS is compulsory subject for 4<sup>th</sup> Semester. Total (246 from Commerce and 160 from Arts) Students actively participated and submitted EVS project on various interesting topics like Pollution Environmental Study and Human Life, Pollution, Eco System diversity, E-Waste, Green House etc.

- On May 6, 2022, the Commerce Department of R.S. Mundle Dharampeth Arts & Commerce College has organized an "ENVIRONMENT VISIT" to Ghogra Mahadev – Shiva Temple, which is only 45 kilometers from Nagpur City. All the students gathered at the college premises and we all started our visit at 07.00 AM. This trip was primarily planned for graduate students. The location

was visited by 41 students in total along with 3 faculty members. First all the students worshipped goddess Shiv then a waste papers and garbage on the road to the temple were cleaned up. Further the students also participated in a River Cleanliness Drive in the river located near the temple.

- On the same day, an industrial visit was also planned. Students made a visit to BDA Healthcare Pvt. Ltd, a company that manufactures healthcare products. Students gained hands-on experience with the hygiene and cleanliness standards required by the health care industry. Mr. Shrikant Fule (Plant Head) assisted all the students.

- Further, students also visited Koradi Temple as Temple Cleanliness Drive was also undertaken there. We all returned back successfully completing our visit at 01.30 PM.
