INTEGRATED COMMUNITY DEVELOPMENT CELL

Report on Students' Visit to Flood Affected Kachchipura Slums

When the sudden heavy downpour struck during midnight of 22 and 23 September and submerged the city, the outflow of Ambazari Lake which was in high spate breached the banks and water flowed dangerously over the danger mark and inundated the low lying areas and slums of Kachchipura. The Citizens were jolted by the midnight flood which swept away the household belongings, electrical goods, beddings, Tin roofs and caused extensive damage to their homes.

The Integrated Community Development Cell of the College keeping in mind the social commitment as priority visited the adopted area of Kachchipura slums in the morning on 23 September, 2023 and took first-hand information of the citizens' plights.

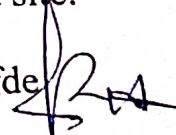

The Integrated Community Development Cell headed by Dr. Sahare and other team members namely Dr. Swati Dame, Mr. Mrudul Shelke and others along with College students visited the affected Kachchipura Slum.

The students interacted with the residents and enquired about the damages by the rain fury. They also personally inspected the damage site and the extent of damage and assured the residents with all possible help to reinstate their lives. The students also helped them to move their belongings to safer places in the area. 12 students of the College accompanied the Teachers to the affected site.
