

National Service Scheme
Two Days Online Workshop
Report held on 4th & 5th June 2021

NSS [National service Scheme] was established in 1969 with a vision of personality development of students through community service and development of rural areas in India. The NSS Units have been introduced in colleges with an aim of establishing a sense of social responsibility amongst students along with values of self-discipline and selfless dedication towards community development.

The National Service Scheme (NSS) unit of R S Mundle Dharampeth Arts and Commerce College organized a two days' State Level workshop on "Building a resilient Community in the COVID-19 Era: Role of Social Responsibility & Leadership". 4 and 5 June, funded by RTM Nagpur University.

The Workshop was organized in the august presence of luminaries from the academic and NSS circles. The inauguration of the workshop was done at the hands of Dr. Sanjay Dubhe, Pro-Vice Chancellor RTM Nagpur University. The Chief guest appraised the students about various social activities with a sole view of rural development and value education. He told that to promote interaction with students and integrate them with the mainstream NSS is the best platform, and that it is most useful to spread awareness about various social issues. The NSS programme officer of our College Dr. Satish Chaple informed the students about the vision, mission and the main purpose of the NSS workshop. The workshop was presided by Dr. Nafde, the Principal of RSMDACC. **The workshop was a grand success with the overall participation of 1403 Students from all over Maharashtra.**
