It's indeed an academic privilege to organize this national seminar on **Research Techniques and Areas in Philosophy**. Philosophy makes a central contribution to the educational enterprise through its demands upon intellectual activity. Education in philosophy involves becoming aware of major figures and developments in the history of philosophy learning up-to-date techniques and accepted answers to philosophical questions, and learning critical, interpretive and evaluative skills that in the overall scheme of things, may be considered of greatest value.

R.S.Mundle Dharampeth Arts & Commerce College, Nagpur

For the last eight and a half decades, upholding the Motto 'Tamaso Maa Jyotirgamaya' **Dharampeth Education Society** has been successfully spearheading value -based education in the Vidarbha region managing institutions from K.G to P.G. R. S.Mundle Arts & Commerce College was established in 1960 under the aegis of DES heralding an era of academic efflorescence. The College is pursuing its objective of not only churning out achievers and professionals but moulding responsible and committed individuals with inherent cultural and humane values, who would eventually be assets to the family, society, nation and the world at large. Our mission is pristinely translated in Swami Vivekananda's observation that: 'Education is the manifestation of perfection already in man'

The College has been accredited with 'A' Grade by NAAC in the 3rd cycle. The college offers various programmes in the faculties of Arts, Commerce and BBA/BCCA. The college is a renowned Place for Higher Learning and Research in Commerce, English and Sociology.

Seminar Theme - Research Techniques and Areas in Philosophy

Significance of the Conference:-

Philosophy is the mother of all subjects. All subjects are connected with it; hence it has its unique significance. The inter relatedness broadens the areas of research. A broad over view suggests that majority of research fall under metaphysics, epistemology, logic, language and mind, ethics, aesthetics, politics and religion. This seminar will focus and explore many other areas which can be studied under philosophy. The delegates would be enlightened on the different techniques of research; they would understand how research is conducted especially in philosophy.
