

REPORT
ONE DAY ONLINE SEMINAR ON INDIAN KNOWLEDGE SYSTEM

R.S. Mundle Dharampeth Arts and Commerce College in collaboration with Annasaheb Gundewar College, Nagpur and Vidya Bharati Ucchha Shiksha Sansthan, Vidarbha Prant, organised a National Online Seminar on Indian Knowledge System, on 17 June, 2022 which was organised on Zoom Platform. The Seminar advocated the need of knowledge exchange from the rich treasure of Indian knowledge system covering all areas of human life. The technical sessions were graced by eminent speakers of great expertise. The seminar hosted Dr. Madhusudhan Penna, Hon'ble Vice Chancellor KKSU, Ramtek. In the Key note session as the Key note speaker Dr. Penna described and discussed at length the evolution, significance and importance of Indian Knowledge in the modern arena and how it has survived even in adverse situations in the past few centuries. The key note address focussed on how Indian Knowledge is relevant even in modern and advanced scenario of digitalisation.

In the technical session, the Eminent Resource Person Dr. Anurag Deshpande from Indian Knowledge Systems Division, Ministry of Education, New Delhi, stressed upon the various constructive recommendations of NEP 2020 which need a pragmatic integration of ancient Indian Knowledge in our curriculum which emphasizes not only being technologically endowed but an ethical usage of latest technologies in our everyday life. The Seminar highlighted on the relevance, use, preservation and safeguarding the Indian Knowledge treasure house for the welfare of the universal humankind.

The literary programme was a real treat to the participants who got an opportunity to know about the rich Indian Knowledge legacy from areas of Science, Technology, Medicine, Education, Law, Commerce, Mathematics, Astronomy, Astrology, Geophysics and Literature. This seminar gave vast insights into the various aspects of Indian Knowledge system, helping in contribution in research and preparing study material. This seminar deliberated on ideas on IKS from various disciplines of Education.

The Seminar also called for research papers on the main theme and relative sub themes. The seminar received a great response with research articles coming in from all corners. The Seminar received overwhelming response from participants pan India and abroad. The seminar volume was published and research articles from the research scholars were published in Pradnya Sanket, International multi-disciplinary research journal. The research articles were from the fields of History, Economics, Varna system, Science, Medicine, Yoga, Management and Administration etc. The conference volume published 22 articles. The Seminar was a grand success with the untiring efforts of all the organisers, convenors and co convenors.

Significance of the Seminar

The rapid changes in the global knowledge economy with the advancement in science and technology have led to dramatic changes in the society. No doubt that India has leaped many boundaries in all sectors- commerce, technology and development etc., but at the same time there has also been detachment from our belief and fall in values. In such a fluid scenario, it is very important to retain our glorious ancient past which reverberates the philosophy of Upanishads revolving around the concepts of the Brahman (the universal soul) and the Atman (the individual soul), the teachings of the Bhagavad-Gita elucidating the ideals of the ‘KarmaYoga’ (the path of action), the ‘Bhakti Yoga’ (the path of devotion), and the ‘Gyan Yoga’ (the path of knowledge) for self-realisation. Today we need to draw our identity from such a sprawling belief system which gives a unique stature to India at the global platform where people from abroad look up to India and resort to yoga and meditation to de-stress and rejuvenate their mind.

The various constructive recommendations of NEP 2020 need a pragmatic integration in our curriculum which emphasizes not only being technologically endowed but an ethical usage of latest technologies in our everyday life. For such a revolutionary step we need to identify the various challenges of the educational ecosystem of India. At present our education system is reeling under the ills of Westernization, excessive privatisation and an exclusion from its cultural underpinnings. This alienation from its indigenous wealth and repository has not let us achieve much in the domain of education in the 21st century. It is thus the moral responsibility of all the stakeholders in the Indian educational system to strive for quality and equitable education for all by extending stimulating courses on Indian Knowledge System to the students.

This seminar will give insights into the various aspects of Indian Knowledge system, help in contributing in research and preparing study material . This seminar will help in deliberation of ideas on IKS from various disciplines of Education.

Call for Papers

Research Papers are invited on the theme of Indian Knowledge System.

Paper Presentation on 17 June 2022

Papers can be presented in English, Hindi or Marathi. Time: 10 min

Paper Publication: (Publication Fee Rs 250/-) ★

Selected papers will be published in “Pradnya Sanket”- An International Peer Reviewed Journal.

Please send your papers on pradnyasanketij@gmail.com by 15 July 2022.

Your paper should not exceed 3000 words.

For English: Font-Times New Roman, Font Size: 12

For Marathi: Use font Krutidev Size: 16

Indian Knowledge System Themes

- Chaturdasha vidyas of traditional IKS systems
- Upavedas (Ayurveda, Dhanurveda, Gandharvaveda)
- Darshanas (All twelve including 6 astika and 6 nastika darshanas)
- Shastras (Nyaya, vyakarana, krishi, Shilpa, Vaastu, Natya, Sangeeta, Jala, khani, among others)
- Sahitya and avadhana kala
- Holistic medicine and wellness
- Indian psychology, yoga and consciousness studies
- IKS based approaches to the economics and political systems
- IKS based approaches on Knowledge paradigms
- Mathematics and astronomy of India
- Observational astronomy and calendar systems
- Ship building, navigation and maritime traditions
- Chemistry of dyes, pigments, chemicals used in India
- Mensuration in IKS
- Architectural engineering, Vaastu and Shilpa shastra
- Sustainable agriculture and food preservation methods
- IKS Approaches for development and management of water resources
- IKS approaches to conserve biodiversity and ecological protection
- Novel materials, metallurgy and material sciences
- Preservation and documentation of manuscripts.
