Report on Project of Vocational Students

The vocational type of education is designed to make students "work ready" upon graduation. It provides practical education, hands on experience and thus helps students develop specific industry skills that allow them to jump right into their profession and get started. Entrepreneurship Development and Advertisement and sales promotion are the two courses conducted in our premises. Under this projects are allotted to the students as per syllabus designed by RTM Nagpur University A4 students opted Vocational studies. They submitted projects which were made mandatory for experiential leaning..
